DEDICATION

This 2003 Annual Report
of the Town of Canterbury, New Hampshire
is dedicated to:

ROBERT AND VIRGINIA DUDLEY

Bob and Virginia Dudley have lived in Canterbury over 50 years. In that time they have served on various boards and have volunteered many hours to the community. Bob was Selectmen, First Deputy of the Fire Department and a member of the Budget Committee and Historical Society, was known as the “Cheese Man”. Virginia has worked with the Ladies Benevolent Society, Ladies Fire Auxiliary, the Extension Program, was a Trustee of the Trust Funds and has been a member of the Cemetery Committee since 1963. They also volunteered at Canterbury Shaker Village – Bob making brooms and Virginia in the sandwich shop and were on the first Canterbury Fair Committee. They have been married for 53 years and have one daughter Melissa. Thank you Bob and Virginia for all you’ve done and continue to do for Canterbury.

Melanie Stephens	Sarah Tirrell-Wysocki
Frank Tupper, Selectmen's Representative	

WARRANT FOR THE
ANNUAL TOWN MEETING
State of New Hampshire

The polls will be open from 7:00 a.m. to 7:00 p.m.

To the inhabitants of the Town of Canterbury in the County of Merrimack in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Canterbury Elementary School in said Canterbury on Tuesday, the Ninth Day of March, 2004, at seven o'clock in the forenoon, to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the town will vote on the following zoning amendments proposed by the Planning Board to be voted upon by official ballot.

Question #1: Are you in favor of the adoption of Amendment #1 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 3 DEFINITIONS shall define what shall constitute a Commercial Kennel.

Question #2: Are you in favor of the adoption of Amendment #2 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 3 DEFINITIONS shall ensure that our definition of Farm, Agriculture and Farming is consistent with state statutes as defined by RSA 21:34 and as it may be amended from time to time.

Question #3: Are you in favor of the adoption of Amendment #3 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 11 NUMBER OF RESIDENTIAL BUILDING PERMITS. The Planning Board is charged by statute with taking the long view of community planning. In essence, the board must be conscious of what constitutes prudent planning, and ensure that the intent of that planning remains logical, legal, current and intentional. In 1971, Canterbury developed a Master Plan, (Plan for Tomorrow) and in 1978 the town passed one of New Hampshire's first growth control

ordinances. That foresight has provided for stable and predictable growth to date.

A critical dimension of that stability has been Article 11, and inclusion of a limit on overall growth. Building permits are presently to 4% of the number of year-round dwellings. The courts take issue with limits, and suggest that towns must manage growth in the context of the regional growth.

Article 11 as amended reduces the general growth rate to 3% while allowing for some unused permits to carry over to a following year. It also requires the planning board to review the building permit cap at least every two years to ensure that our rate of growth remains consistent with regional growth, is appropriate in the context of our resources and continues to promote the Purposes stated in the Master Plan.

SECOND SESSION

The second session will be held at the Canterbury Elementary School on Friday, the twelfth of March, at seven o'clock in the evening to act on the following subjects:

3. To see if the Town will vote to raise and appropriate the sum of up to eight hundred sixty thousand dollars (\$860,000) for the purchase of three parcels of land on the Merrimack River known as the Gold Star Sod Farm and Nursery, together 525 acres more or less, Map 4 Lot 31-1, Map 5 Lot 17 and Map 5 Lot 18 (including any buildings and structures thereon); and to further authorize the issuance of up to eight hundred thousand dollars (\$800,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue, negotiate and regulate such bonds or notes and to determine the rate of interest thereon; furthermore to authorize the withdrawal of sixty thousand dollars (\$60,000) from the Conservation Capital Reserve Fund created for this purpose. Two-thirds ballot vote required. (Recommended by the Selectmen)
4. To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.
5. To see if the Town will vote to raise and appropriate the sum of Eighty thousand one hundred sixty one dollars (\$80,161) for the purchase of a dump truck and authorize the withdrawal of fifteen thousand seven hundred and twenty eight dollars (15,728) from the Highway Equipment Capital Reserve and fifteen thousand four hundred and one dollars (\$15,401) from the Highway Truck Capital Reserve previously established. The balance of forty nine thousand thirty-two dollars (49,032) is to come from general taxation. (Recommended by the Selectmen)
6. To see if the Town will vote to raise and appropriate the sum of six-thousand five hundred dollars (\$6,500) to purchase Town Clerk and Voter Census Software. (Recommended by the Selectmen)
7. To see if the Town will vote to raise and appropriate the sum of three thousand three hundred seventy five dollars (\$3,375) to purchase a photocopier for the Town Offices. (Recommended by the Selectmen) To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of removing or renovating the Canterbury/Boscawen Bridge and to appropriate the sum of five thousand three hundred dollars (\$5,300) as an initial funding amount. Further, to

name the Board of Selectmen as agents to expend from this Capital Reserve Fund. (Recommended by the Selectmen)

8. To see if the Town will vote to appropriate the sum of three-thousand dollars (\$3,000) from the Transfer Station Capital Reserve Fund to renovate the transfer station Building and purchase a baler, conveyor and storage trailer to bale and store plastics and aluminum. (Recommended by the Selectmen)

9. Shall the town vote to modify an Exemption for the Disabled under the provisions of RSA 72:37-b as follows: the exemption from assessed value, for qualified taxpayers shall be thirty-five thousand dollars (\$35,000). To qualify, the person must be eligible under Title II or Title XVI of the Federal Social Social Security Act, must occupy the property as his principle place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least 5 years, in the calendar year preceding April 1 a net income from all sources, or not more than thirteen thousand four hundred dollars (\$13,400) or, if married, a combined net income of not more than twenty thousand four hundred (\$20,400) excluding the value of actual residence and up to 2 acres of the minimum single family residential lot size specified in the local zoning ordinance.

To transact any other business that my legally come before this meeting.

Given under our hands and seal, this 2nd day of February, in the year of our Lord, two thousand and four.

Michael R. Capone, Chairman

Frank A. Tupper

James P. Bassett

MINUTES OF TOWN MEETING
FIRST SESSION
MARCH 11, 2003

2003 BALLOT

Board of Selectmen: 1 position, 3 years

Michael Capone 300

Treasurer: 1 position, 1 year

Mary F. Witschonke 314

Planning Board: 2 positions, 3 years

William Egan 305

Donald Burgess 279

Cemetery Committee: 1 position, 3 years

Hugh Fifield 19

Trustee of Trust Funds 1 position, 3 years

Nancy Lilly 306

Proposed Zoning Changes

Amendment #1: Are you in favor of the adoption of Amendment #1 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 5.2.B.1. FRONT SETBACK would set the minimum setback of all structures at 50 feet from any front boundary.

YES 248 NO 87

Amendment #2: Are you in favor of the adoption of Amendment #2 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 5.2.B.3. POND SETBACK would add wording that would bring the town into compliance with the Shoreline Protection Act.

YES 281 NO 57

Amendment #3: Are you in favor of the adoption of Amendment #3 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 5.2.B.7. under STRUCTURE SETBACK would set the minimum structure setback from the front property line at 25 feet on

lots of 25,000 square feet or less existing as of November 1, 1999. It eliminates the wording that allows the minimum structure setback to be lessened to not less than 25 feet from the property line by special exception approved by the Zoning Board of Adjustment.

YES 243 NO 86

Amendment #4: Are you in favor of the adoption of Amendment #4 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment is a correction to Article 5.3.C. TABLE OF PRINCIPAL USES - LIST OF USES to show that pre-site built housing is allowed in the Rural Zone and not in the Industrial Zone.

YES 239 NO 94

Amendment #5: Are you in favor of the adoption of Amendment #5 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment is an addition to Article 5.3.C. TABLE OF PRINCIPAL USES - LIST OF USES regarding outdoor storage of plants, aggregate and/or other non-toxic landscaping materials required for the permitted business.

YES 248 NO 71

Amendment #6: Are you in favor of the adoption of Amendment #6 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 14.5 ZONING DISTRICT REQUIREMENTS would allow collocation of wireless telecommunication antennae on existing structures in the Historic and Resource Reserve Natural Districts by a conditional use permit.

YES 172 NO 166

Amendment #7: Are you in favor of the adoption of Amendment #7 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 5.3.C. TABLE OF PRINCIPAL USES - LIST OF USES would prohibit accessory apartments in the Industrial Zone.

YES 196 NO 138

Amendment #8: Are you in favor of the adoption of Amendment #8 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board?

This amendment to Article 8.1.B. under VARIANCES is a change of wording, indicating that granting a variance would not be contrary to the public interest, rather than stating that granting the variance would be a benefit to the public interest.

YES 260 NO 76

Amendment #9: Are you in favor of the adoption of Amendment #9 to the existing Canterbury Zoning Ordinance as proposed by the Planning Board? This amendment to Article 8.1.C. under VARIANCES brings the wording regarding denial of a variance up to the current Supreme Court standard.

YES 282 NO 49

MINUTES OF TOWN MEETING
SECOND SESSION
MARCH 14, 2003
(Business Portion)

Wayne Mann, Moderator, opened the second session of Town Meeting at 7:00 p.m. on Friday, March 14, 2003. The salute of the flag was lead by Chief Gwen Deurell and Officer James Dunn.

The moderator made reference to the Town Report. The 2002 Annual Town Report cover is a painting of the Elkins Library by Sally Ladd Cole. Recognition was given to all the volunteer boards that serve the town. The report is dedicated to Lisa Carlson and Al Edelstein who have been the epitome of volunteerism in town running the Canterbury Fair for nine years. The moderator read the results of the balloting from the first session of the Town Meeting held on Tuesday, March 11, 2003.

A review of the ground rules was presented.

For Articles 3 and 4 the polls were open for one (1) hour and each article had its own ballot box.

ARTICLE 3

Are you in favor of raising and appropriating the sum of two million six hundred twenty five thousand dollars (\$2,625,000) for the following improvements to Town buildings: construction of a new Town Municipal building to house the Highway, Police and Volunteer Fire departments. The renovation of the existing highway, police and volunteer fire department building into a Town Library and meeting space. The addition of bathroom, kitchen and handicap accessible space to the Town Hall, and handicap accessible improvements to the Elkins building and to authorize the issuance of not more than two million five hundred thousand dollars (\$2,500,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore to authorize the removal of one hundred twenty five thousand (\$125,000) from the library capital reserve fund created for this purpose?

Ken Jordan moved the adoption of this article, Charlie Cook seconded.

Move the vote Steve Baker, Hank Turco seconded.

Article 3 was voted on by secret written ballot and passed by a two-thirds (2/3) vote 289 to 139. There was no motion to reconsider this vote.

ARTICLE 4

Are you in favor of raising and appropriating the sum of eighty three thousand dollars (\$83,000) to purchase a 5 +/- acre parcel of land located on Baptist Road (Tax Map 8, Lot 075.001) to be used by the Town for future needs and to authorize the issuance of not more than eighty three thousand (\$83,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon?

Charlie Cook moved the adoption of this article, Cheryl Gordon seconded.

Article 4 was voted on by secret written ballot and passed by a two-thirds (2/3) vote 337 to 89. There was no motion to reconsider this vote.

ARTICLE 5

To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

Charlie Cook moved the adoption of this article, Diane Jacobsen seconded.

Priscilla Lockwood makes motion to remove the \$5,000 in Special Events.

Motion seconded by Marlene Hall.

Hand vote taken on removing the \$5,000 from Special Events and adding it to the Fourth of July line item.

Bob Lockwood moved the question, Jeremy Slayton seconded.

Motion carries

Vote taken on question and passed.

Vote on article 5 passes, new budget \$1,296.865.50

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) to be placed in the existing Revaluation Capital

Reserve Fund and further, to name the Board of Selectmen as agents to expend from this reserve fund.

Charlie Cook moved the adoption of this article, Ken Jordan seconded.

Article 6 was voted on and passed.

ARTICLE 7

Vote to raise and appropriate the sum of four thousand dollars (\$4,000) to purchase a refurbished defibrillator for the Canterbury Volunteer Fire Department.

David Tirrell-Wysocki moved the adoption of this article, John Evans seconded.

Move the question Howard Moffett, Bob Lockwood second

Article 7 was voted on and passed.

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of thirty two thousand dollars (\$32,000) to purchase a new cruiser for the Police Department.

Bob Lockwood moved the adoption of this article, Pat Manning seconded.

Article 8 was voted on and passed.

ARTICLE 9

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to appoint a deputy treasurer.

Michael Capone moved the adoption of this article, Jim Bassett seconded.

Move the question

Motion carries

ARTICLE 10

To see if the town wishes to amend the existing agreement under section 218 of the social security act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than \$1200. The \$1200 limit on the excludable amount of remuneration

paid in a calendar year for the services specified in this modification will be subject to adjustment for calendar years after 2002 to reflect changes in wages in the economy without any further modification of the agreement, with respect to such services performed during such calendar years, in accordance with Section 218(8)(B) of the Social Security Act.

Bob Lockwood moved the adoption of this article, Cheryl Gordon seconded.

Article 10 was voted on and passed.

ARTICLE 11

Whereas, New Hampshire residents pay the 12th highest cost of insurance in the country; and

Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to the rising costs almost half of New Hampshire's small businesses cannot afford health coverage for their employees, therefore be it resolved.

That we, the citizens of Canterbury, New Hampshire, call our elected officials from all levels of government, and those seeking office, to work with consumers, businesses and health care providers to insure that:

- Everyone, including the self-employed, unemployed, un- and underinsured and small business owners, has access to an affordable basic health plan similar to what federal employees receive;
- Everyone, including employers, consumers and the state, local and federal government makes a responsible and fair contribution to finance the health care system;
- Everyone receives high quality care that is cost efficient and medically effecting;
- That these efforts help control the skyrocketing cost of health care

Given under our hands and seal, this eighth day of February, in the year of our Lord, two thousand and three.

Peter Hofman moved the adoption of this article, Mark Hampton seconded.

Article 11 was voted on and passed.

To transact any other business that may legally come before this meeting.

John Leggett thanked the building needs committee for the wonderful work they performed to bring this project along.

Kevin Bragg remarked on how the Town tax rate has not changed in the last 4 years, and commented on the enthusiasm in this group and wished to thank the selectmen and volunteer boards that keep the cost down of running this Town.

Jim Bassett said the board was remiss in the discussion of the budget in not thanking the Budget Committee; Ken Sorlin, Maryellen Fifield, John Pratt, Andy Scanlon, Sewell Smith and Briggs Lockwood. It's a credit to their efforts that the town tax rate has not increased in four years. Special thanks to them and all other boards that we work with and who do so much for the town.

Simon Leeming called for a round of applause for his neighbors, Lisa Carlson and Al Edelstin, for their work in the community.

John Evans made a motion to close the meeting. The motion was seconded by Priscilla Lockwood. The meeting was dissolved at 10:30 pm.

Respectfully submitted,

Patricia A. Capone for
Cheryl A. Gordon, Town Clerk

TOWN OF CANTERBURY
RECOUNT OF AMENDMENT 6
MARCH 24, 2003

Meeting called to order at 7:00 p.m. by Wayne A. Mann, Moderator. The meeting was convened under RSA 669:30-35 and RSA 40-4c

Ten registered voters have filed a petition and paid the \$10 fee to have a recount of ballot question #6 from the balloting conducted on March 11, 2003. Petitioners are Carol Landry, Arthur Landry, Meredith Kopperel, Jessica Kopperel, James Lilly, Sr., Janice Stout, F. Webster Stout, James Lilly, Jr., Cynthia Bailey and Michael French.

By law the Board of recount consists of the Moderator, Town Clerk and the Board of Selectmen.

Selectmen James Bassett was not available and under the authority granted by law Robert Lockwood was appointed and sworn in to replace him. Other members of the board are Cheryl Gordon, Town Clerk; and Selectmen Michael Capone and Frank Tupper.

The original vote from March 11, 2003 was 172 Yeas and 166 Nays; the recount is 171 Yeas and 166 Nays.

I declare that amendment 6 passes. It will be so certified on March 29, 2003 and become final, unless sooner appealed to the Superior Court.

As there was not other business to come before the board of recount the meeting is dissolved.

Respectfully submitted,
Patricia A. Capone for
Cheryl A. Gordon, Town Clerk

Town Clerk

Annual Report Of The Canterbury Board of Selectmen

As has been the case in recent years, our Town continues to grow. The building cap for the construction of new homes was reached for the first time since the late 1980's. This increased growth and the pressures that accompany it have kept the Board and Administrative Staff very busy in 2003. Our focus has been on providing quality service to the Town's citizens while finding effective ways to deal with long-term growth and its implications.

Among the projects the Board worked on this year was the revision of the Road Standards for the Town. Working with the Road Agent and other Town departments, the Board has developed standards that are more consistent with the rural nature of the Town.

After meeting with the Department of Revenue Administration, the Board sent out a revised bid package for the Town wide Revaluation, which is to be completed by April 1, 2006. After the bids are received and a selection is made, the revaluation process will begin in 2004.

The Board also signed a Five year agreement with the City of Concord that will allow septage haulers who service Canterbury to use the Hall Street facility. This brings the Town into compliance with a State regulation that requires Towns to have an agreement in place with a State approved septage disposal facility.

The Board recently selected Aries Engineering to drill a new series of water monitoring sites at the Town landfill. The results of samples taken from these sites will help us determine what else we will have to do to meet the State requirement for closure of the landfill.

In November of 2003, the Board convened a meeting of Town Boards and Committees. The purpose of the meeting was to have the members of these groups meet each other and discuss the function of their group and some of the key challenges they face. The meeting was well attended and there was a lot of sharing of ideas between groups with areas of common interest. We plan to convene another meeting in the spring of 2004 after the new members and Chairs are seated to discuss Town wide plans for the new year.

Ongoing projects include developing plans for a part time code enforcement officer for the Town, working with the Building Needs Committee on the Town building projects, monitoring the activity of the Regional Solid Waste Cooperative with respect to the potential landfill site at exit 17 and working with the Department of Transportation's Traffic Control Committee monitoring major events at the New Hampshire International Speedway.

Once again we would like to acknowledge the hard work and dedication of Jan Stout and Carol Landry. They continue to find new and creative ways to provide a high quality of service to folks in Town and their efforts are greatly appreciated by the Board.

In closing, we would like to thank all the folks who volunteer their time to the community. Canterbury is a better place for your efforts. We would like to ask those who are new to Town to consider lending a hand as well. Town Boards and Committees are always looking for members and help is always needed for various Town activities. Please contact the Town office if you are interested in lending a hand. The rewards are great.

Our best to all in 2004!!

Respectfully submitted

Michael R. Capone, Chairman
Frank A. Tupper
James P. Bassett

Cheryl A. Gordon, Tax Collector For The Town of Canterbury, NH

Canterbury Historical Society Report

The Canterbury Historical Society had a very successful year. We started off in March to shake the winter blues away with a dance and potluck supper featuring "The Musical Chairs" led by Peter Yarensky and Theresa Wyman. In April we had a wonderful time visiting Roy Hutchinson's sap house while he was boiling. Stories of old time sapping were great to hear. Carl and Betty Peterson came in May and presented "A Funny Thing Happened at the Store". A wonderful evening full of stories and laughs. Everyone appreciated Carl and Betty sharing their stories. New this year was "Old Home Day" at the Fair. The theme was to provide a place for people to gather, chat, have lunch and meet old friends. Catherine Dickson, our greeter, was special. "Old Home Day" will become an annual event at the Fair. In August we had our annual Fiddlin' Picnic on the lawn of the Parish House. There were fiddlers from Canterbury and the surrounding area. The fiddlers and potluck picnic were enjoyed by all. David Watters spoke to us in September on New Hampshire Gravestones Past and Present. This was an enlightening program on the religious beliefs, history and community values of the dead and living. In October we held our first Antique Appraisal Day with appraisers from Skinner Inc. It was fun to see what came out of attics for treasures and was a successful fundraiser for the Society. Our annual meeting in November brought us four outstanding Canterbury cabinetmakers - David Lamb, Sam Chase, Tom McLaughlin and Ted West. Each presented a unique piece of furniture and described its construction. A really great program!

We will be having a climate controlled archival room in the new library. This will be a great improvement in the preservation of Canterbury's history as well as make the collection more readily available to the people.

Many thanks to the outgoing Trustees - Jordan Tirrell-Wysocki, Rick Zeller, Ollie Fifield, and Kate Goegel, and current Trustees - Bob Scarponi, our new vice president; Chuck Sanborn, recording secretary; Doneta Fischer, corresponding secretary; Gordon Jackson, treasurer; Steve Andriks, and Hal Posselt. We welcome new Trustees - Mason Newick, Sandy Scripture, Barbara Cook and Ann Weger. The Trustees would especially like to thank Ginger Laplante, curator, who has spent many hours organizing museum collections. Betsy Black for doing the Canterbury Histivia each month in the church newsletter. Hopefully, a replacement to continue by the time this is printed. A thank you also goes to volunteers and friends who give their time and energy to help make CHS a vital organization to preserving Canterbury's history past and present.

Pam Jackson, President

Cemetery Trustees Report

It has been brought to my attention that we should put a copy of the Canterbury Cemetery Regulations in the Town Report. I hope folks will read and go by these. We lucked out this past year and found Jeff Barry who did a great job along with the Highway Department in keeping our cemeteries respectable.

Canterbury Cemetery Regulations

1. All lot owners shall be governed by the rules of the Cemetery Trustees.
2. The Cemetery Trustees shall be responsible for all cemetery affairs- revising rules and rates as conditions change.
3. The Maple Grove and Center Cemeteries shall be kept in such condition as to be a credit to the community. All outlying cemeteries to be mowed annually, or as needed.
4. All lots sold shall include Perpetual Care. Price at this time is \$200.00 per grave unit with \$150.00 of this amount for perpetual care, \$50.00 for cemetery improvements.
5. Perpetual care shall mean the annual upkeep only. Initial grading, seeding, purchase of stone and stone maintenance shall be the responsibility of the lot owner.
6. A. concrete vault or liner is required for all burials.
7. No monument or stone shall be erected until lot purchase is paid in full.
8. Only one upright memorial per two or more grave lots. Single grave markers and corner posts are to be flush with the grade.
9. No curbing, fencing, hedging, or enclosures of any kind shall be allowed around any lot. The Trustees reserve the right to remove the same if so erected, planted or placed.

10. No change of grade without the approval of the Trustees.
11. No lot owner shall erect or place or cause to be erected any memorial without prior approval of location from the Trustees.
12. All work done in the cemetery shall be subject to the approval of the Trustees.
13. No breakable containers to be used for plants or flowers.
14. No bicycles, motorcycles, snowmobiles, off highway recreational vehicles or horses shall be permitted in the cemetery.
15. The Trustees shall keep all records as required by law.
16. The Trustees shall compile and have printed a list of rules and regulations and make them available to all interested parties.
17. The cemeteries shall be closed from the time of the first snow until the spring thaw. No interments will be permitted during this time nor will the roads be plowed.
18. Lots to be sold to resident families only.
19. In case of hardship special consideration will be granted at the request of the Selectmen.

Elkins Library 2003 Report

The year 2003 saw a significant increase in the numbers of books, audiotapes, videotapes, DVDs, and magazines that were borrowed from the Elkins Public Library. Interlibrary loans increased as well. The library sponsored more programs in 2003 and added new patrons. Tuesday hours and increased Saturday hours have been well received and we hope to increase Tuesday hours with our proposed budget.

The passage of the bond issue at the March 2003 Town meeting ended many years of space and overcrowding issues. While sad to leave our lovely old building, the trustees are anxiously awaiting the move the larger facility. As of yet we have no knowledge of how the old library will be used by the town.

Our computers have been very busy with Internet searches, writing reports, and emailing. Our ATT broadband connection continues to save the town money and to allow quick connection to the Internet. Internet use has more than doubled. A new fax machine has increased our library's service to the community. Elkins Library now has fully computerized checkout that makes tracking books infinitely easier.

The Friends of the Library group has continued to be incredibly active. They meet on a regular basis and have organized several fundraising events. An ongoing craft sale in the fall netted the library over \$1000. The Friends' enthusiasm and continued support are greatly appreciated.

Our July reading program once again reached a large number of Canterbury children. A generous grant from the State Library helped to fund this very successful program. Weekly story hours were well attended, and third graders from the Elementary School visited on a weekly basis. Our Christmas open house was cancelled due to a snowstorm but an afternoon of music and food is planned for early March.

Once again our library has benefited from the unselfish donation of that most precious commodity, time. From our librarians, trustees, Friends, volunteers, and fair workers, we have received many, many hours. Thanks to all.

Respectfully submitted,
Claudia Leidinger Chairperson of the Trustees

LIBRARIAN'S REPORT

Total Circulation of Materials:	
Adult Fiction	4,212
Adult Non-Fiction	1,079
Youth Fiction	4,571
Youth Non-Fiction	650
Audio Cassettes	1,162
Video Cassettes	2,907
Magazines	394
CD's	198
DVD's	305
Inter-Library Loans	561
Materials purchased in 2002	
Adult Fiction	144
Adult Non-Fiction	43
Youth Fiction	141
Youth Non-Fiction	58
Audio Cassettes	17
Video Cassettes	140
DVD's	36
Donations (Books, Audio's & Videos)	12

This has been another productive year busy with library activities including 39 programs for adults and children such as story hour, summer reading, book discussion group and other special events with a total of 356 children and 345 adults in attendance. The inter-library loan service dramatically increased 42 percent. Elkins patrons borrowed 561 books from libraries throughout the State and loaned out 265. The new DVD and books on CD collection is developing steadily with increasing demand. The Children's World Book Encyclopedia is new to the collection and a fax machine was recently acquired.

We wish to express our gratitude to the many volunteers who have presented programs, assisted with the book sale, and donated materials and professional services over the past year. Special thanks are extended to the devoted Friends of the Library steering committee for great ideas and many hours of service.

Susan LeClair, Director
Elaine DiStefano, Assistant
Debra Folsom, Assistant

Annual Report Of The Canterbury Police Department

Throughout 2003, the members of your police department continued a proud tradition of providing the highest degree of Law Enforcement to the Town of Canterbury. We enforced and investigated motor vehicle and criminal laws and handled an ever-increasing number of calls for service. All administrative investigations are handled here, as well as the investigation of pistol permit applications and pre-employment background investigations for department employees. The members of this department were, for the most part, part-time employees whom continually multi-tasked as patrolmen, detectives and prosecutors. We asked a lot from our officers in the little time they were here. I am honored to say they rose to the challenge with remarkable results.

In 2003, a burglary we investigated resulted in three arrests recovered stolen property and solved a number of burglaries throughout the Merrimack and Belknap counties. This was a great follow-up to us solving The Canterbury Country Store burglary in 2002, which also resulted in two arrests and solved over fifty other similar burglaries in the state. Along with burglaries we covered untimely deaths, domestic offenses, sexual assaults, drug and alcohol offenses, frauds, bad checks, missing persons, vandalism, child abuse cases and provided police coverage for every NASCAR race at NHIS and the Canterbury Town Fair. All though the above operations keep us busy, there are many other areas that we are committed to.

Community policing...it is all about you. The police Department sponsored its first Annual Valentine's Day Blood Drive at the Canterbury Elementary School and it was a big success. Over 44 pints of blood were received. Thank you to all that came and supported such an important event. Our members also donated their own time to participate and support various events for The Special Olympics. We were thrilled to be able to join in with the, newly moved, Halloween festivities. Much thanks to the *unknown officer* who helped us hand out candy. I would also like to say a big hello and thanks to all the students and faculty at CES! You were all great listeners at the Halloween safety talks and we appreciate your support.

I would like to take this opportunity to make a plea on behalf of all First Responders. Please check and make sure that your house number is clearly marked on both sides of your mailbox, house or other marking device. These reflective numbers should be at least three inches tall, so that the operators of the various emergency vehicles can easily see them. Doing this one simple thing will enhance our ability to provide you with the best possible service in the shortest amount of time.

In conclusion, I would like to say this...there is nothing small about a small town police department. We care, we are competent and we want to hear from you. Your input and support are needed in an effort to improve the department. I invite you to contact us with any questions, comments or concerns. I want to thank the residents for their continued support of the department and its mission, and congratulate and thank the staff of the police department for their efforts this past year.

Gwen E. Deurell
Chief of Police

Annual Report Of The Canterbury Fire Department

Canterbury Fire & Rescue is a volunteer organization whose job it is to preserve life and property in the Town of Canterbury. All 19 active members are volunteers. They respond to calls from their homes or from their workplace. From our single fire station in the Town Center, we operate six vehicles: two rescue/pumpers; a hazardous spills remediation-capable utility pumper; two forestry rigs and a rescue truck. We fight house fires and car fires, brush, field, and forest fires, and address a full range of medical and rescue emergencies.

We maintain vehicle accident extrication and stabilization skills (utilizing the "Jaws of Life" and air bags) along with ropes rescue and water and ice rescue capabilities. Medical emergency calls are an ever-increasing part of our service to townspeople. Seven EMT's and two paramedics are ready to assist with CPR, oxygentherapy and heart monitoring/defibrillation. We are also trained in off-the-road search and rescue techniques often involving skiers, snowmobile riders, mountain bikers, hunters and hikers. In 2003 there were **242** calls for service. Although that's 3 less than last year, it's still about double what it was 10 years ago. The calls are broken down into the two major categories of Medical and Fire.

110 Medical Aid (EMS) of which 40 were Motor Vehicle Accidents (26 of these on the Interstate). Our EMT's and paramedics provide initial primary care, stabilize the injury and prepare the patient(s) for transport to the hospital. These services range from treating minor injures not requiring a hospital visit to a higher level of care from our paramedics. Paramedic services include drug therapy, intravenous medications and heart monitoring/defibrillation.

132 Fire Calls:

Mutual Aid assistance 12	Fire in a building (Mutual Aid) 6
Fire in a building (Canterbury) 3	Fire in a building (Mutual Aid) 6
Odor Investigation (outside) 2	Odor Investigation (inside) 6
Outside fire investigations 11	Brush and forest fires 2
Chimney fires 2	Illegal brush fires (no permit) 16
Heating Appliance Problems 3	Vehicle fires 7
Service calls 12	Hazardous materials spills 5
Unintentional alarm activation's 15	Off road rescue 1
Malicious false alarms 0	Vehicle overheating 9
C0 detectors sounding 4	Power lines down 16

Total 2003 calls 242

The following Life Safety and State Fire Code Inspections were completed:

School safety compliance 7 Business code compliance 6
Other inspections 4

72 State of NH brush burning permits were issued by our 5 Wardens, and 11 Inspections of logging operations for compliance with the NH Timber Harvest Laws were carried out.

We find ourselves striving to do more with fewer people. Even with the addition of three new members, our 19 men and women still each volunteer an average of 20 hours a week to train, maintain equipment and respond to calls. To maintain the service you have come to expect we have committed what resources we receive from the Town to purchasing modern, efficient equipment; equipment which helps to guarantee the safety of our members--your neighbors--as they assist you in your emergency.

We responded to 55 calls on the Interstate, about 22% of our total calls. These calls are usually intense trauma experiences for our crews, take longer to remediate and cost more in equipment wear and tear than any of the other calls we make. We hope that the legislature can see it's way to funneling some relief in the form of federal funds to the impacted towns.

Please remember to Dial 911 for all your emergency needs. During brush fire season (when the snow no longer completely covers the ground), a Burn Permit Hot Line is available at 783-4798. This number connects you to a recording, which will provide information on when brush burning is allowed and the procedure for obtaining a State of New Hampshire burning permit.

Respectfully submitted,
Chief Dale Caswell

Annual Report Of The Canterbury Planning Board

For years, Mike Capone has represented the Selectmen on the Canterbury Planning Board. In his classic cryptic way, he has been conscience, sage, historian and stoic keeper of the humor. His tenure ended earlier this year, and we've missed his independent thought. We are pleased, however, to have Jim Bassett as representative, and consequently back on the board.

In 2003, a year of dramatic changes in home prices, land prices and interest rates, Canterbury has been well served by its extended history of wise planning and forethought. As surrounding town scurry to cope with demands for lodging and land, Canterbury has seen a degree of stability, in an unstable time. Six requests for subdivision have created three new lots. Three additional requests to be heard before March may add three additional lots resulting in six new lots created for the year. The board has also approved eight requests for site plan review, including a public hearing intended to review the building projects proposed by the town.

As its essence, the board is charged with taking the long view of community planning. The responsibility then becomes shaping ordinance and intent to ensure the planning remains current, legal and logical. As a board we have begun the earnest addressing the issue of affordable housing. The statutes will increasingly use this as a measure of the willingness of towns to soften the need for a balanced housing market. We must consider this in part because to fail to develop a coherent plan would result in legal jeopardy. The most compelling reason to address this issue, however, is that to more readily reflect such a balance of housing needs to honor and affirm the history of diversity so evident in Canterbury.

I cannot conclude without mention of Nancy Lilly. She gathers the seeds of our thoughts, and causes them to flower in the minutes. We each thank you Nancy.

Respectfully submitted,
Bill Egan, Chairman

NOTES:

1. Figures shown in italics represent amount placed in reserve
2. Figures shown in bold represent bond payments including interest.
3. Loans were calculated assuming 4.5% interest, equal annual principal payments

* These are capital reserve funds already established by the town for future projects not yet specifically identified. Figure 1 shows suggested allocations for future years based on previous years' amounts.

NOTE: The Canterbury Planning Board has prepared this CIP as an advisory document for use by the Town Budget Committee, Board of Selectmen, and residents. The preparation of this CIP does not commit the Town of Canterbury to fund any of the projects within, nor to schedule any projects in a certain order, nor does it preclude other projects from being funded by the Town.

Class	DESCRIPTION
Essential	- Cannot be delayed, needed immediately for health and safety, or, - Needed to maintain basic level and quality of community service; or, - Projects involving the regular replacement of equipment with a typical useful life of 10 years or less
Enhancement	- Desirable within 6 years to improve quality or level of service
Deferrable	- Can be placed on hold until after 6-year period, but supports community development goals; or, - Project which needs more research, planning, or coordination
Inconsistent	- Contrary to land use planning or community development goals, or, - Does not meet definition of capital improvement

Annual Report Of The Canterbury Conservation Commission

In 2003, the Conservation Commission continued its commitment to maintaining Canterbury's rural character by conserving and protecting those parcels of land containing important natural resources and scenic vistas.

Some of these parcels have been acquired through conservation easements, outright acquisitions, and delinquent tax property takings. These parcels prove to be valuable assets as they are contiguous to existing protected lands.

Land Acquisitions and Easements

- *Rocky Pond* – Additional properties have been added and more are being considered through outright donations, delinquent taxes, and land owners selling their land to the Town. A total of 80 acres have been acquired.
- *Baptist Hill Road Marsh* – A 12 acre conservation easement containing a section of a pond and marsh was completed this fall.
- *Big Meadow* – additional land adjacent to parcels already under easement.
- *Other* – Crane Neck Pond and Marsh area, Schoodac Meadow, Kimball Pond, Misery Road, and assisting land owners with information about how to place their land under conservation easements. These potential areas of consideration would add additional protected areas adjacent to the areas mentioned above.

Maintenance and Monitoring

- *Riverland Beach Area* – parking lot and wetland walk have been maintained through the efforts of abutting land owners. Thanks to Galen Beale, Clinton Pitts, and Matthew Cadarette for their help.
- *Intervale Canoe Launch* – Litter pick up, brush cutting and poison ivy control.
- *Kimball Pond Conservation Land* – maintenance, mowing, native tree plantings, and wildlife observations were conducted all year. Thanks to Mark Stevens for mowing and for his outstanding volunteer stewardship.
- *Easement monitoring and boundary work* – Bob Fife cut brush and re-blazed boundary lines of several parcels this year, including the Hannah Moore Lot located off Abbott Road.

Misery Lot Area – More land potentially to be acquired in the near future.

All Town Department Meeting – The Commission attended and participated in a beneficial Town department meeting to meet

members, learn, and discuss the duties and current projects of other boards in Town.

Aerial monitoring with Tom Roy at the helm, Mark Stevens, and Bob Fife of the Town documenting with still photos and video for future reference and GIS mapping processes.

GIS (Geographic Information System) – land use planning tool for the Town boards.

- Kathie completed GPS'ing and created a GIS map of the Snowmobile Trail System in Town and cross boundaries (abutting towns)
- Matt Bowser created the first series of base maps
- The Commission applied to the free Community Conservation Assistance Program from the Cooperative Extension to help the Commission begin a comprehensive natural resource inventory.
- *Co-Occurrence Analysis* – the GIS subcommittee is currently working towards the next phase of GIS natural resource Mapping of the Town

Other

- *Hildreth Land* on Kimball Pond Road – The Town continues its proactive approach in acquiring this parcel
- *Strategic Planning* – The Commission completed it's set of Goals, Strategies Priorities, and wrote a new set of By-Laws
- The Commission joined 5 Rivers Trust, UMLAC (Upper Merrimack River Local Advisory Committee) for joint efforts with monitoring and management of the Merrimack River and Open Space initiatives
- Members actively attended workshops, seminars, and meetings of other committees and boards in Canterbury, Loudon, Northfield, and Concord.
- Results from last years' 2002 Conservation Questionnaire has been beneficial to other Town boards, and the Town of Loudon Conservation Commission has used the format to create their own survey.

The Conservation Commission would like to **thank all** those involved with volunteering their time and skills to better the town through their dedicated efforts. And thanks to the town officials for keeping the Commission informed about new and ongoing issues affecting the natural resources in Town.

Respectfully Submitted,
Robert Fife, Chair
Canterbury Conservation Commission

Annual Report Of The Economic Development Committee

In September, Pike Industries completed the finish coat of paving and widening the entrance to the Town industrial land located at Exit 18. While the Committee attempted to market lots within the park on its own during the first nine months of the year, we were unsuccessful. As a result, in September the Committee voted to engage a commercial real estate broker to more actively market the property. The Committee interviewed three local firms and selected Premier Properties as the broker. As part of the marketing effort, listings have been posted on the internet and in local and statewide publications. While demand for industrial land in the area remains soft and no lots have yet been sold, the Committee is convinced that engaging a full-time broker with statewide and regional contacts to actively market the property is the most effective way for the town to realize in the near future the type of development we are seeking.

As noted in last year's report, the Committee remains committed to careful development of the property for several reasons: to maintain the town's character and image, to ensure that any development is sensitive to the existing property uses within the neighborhood, and to ensure that, as properties are developed, the interests and investments of then existing owners are protected. In this vein, we revised the covenants previously developed for the industrial site to ensure development of consistent quality and compatible uses.

Respectfully submitted,

Earl Hall, Chairman

Recycle Committee Annual Report – 2003

THE RECYCLING COMMITTEE MEETS THE FIRST THURSDAY OF EACH MONTH AT THE SAM LAKE HOUSE AT 6:30 P.M. THE COMMITTEE WELCOMES VISITORS AND NEW MEMBERS AT ANY TIME.

A special thank you to Faith Berry the afternoon my wife passed away for covering when I left. Also David Heath and Michael Capone on Saturday afternoon. A thank you to the Highway Department for their services and use of their equipment. An excellent job.

In August, we started a mixed glass program. It is trucked to New London and stock piled at a cost of \$10.00 per ton, plus trucking charges. When it has been crushed 3/8" or less, we can bring a load back.

I made an application for a Plastics Grant in August. Out of seventeen towns that applied, Canterbury was one of three towns awarded the grant. This grant would be used to purchase a small baler for plastics and aluminum cans, as well as renovations to the building. In 2004 we plan to apply for another Oil Grant to cover the tank and maybe a little paving.

In November, a cement slap was poured under the C & D roll off. It is working very well.

Annual Reconciliation:

	Shipped	Weight	
Trash	819.32	Tons	
Mixed Paper	163 .00	Tons	
Aluminum Cans	3.90	Tons	
Tin Cans	7.40	Tons	
Light Metal	175.00 (est.)	Tons	
Construction Waste	120.00 (est.)	Tons	
Textile	4.25	Tons	
Glass	55.77	Tons	
Florescent Bulbs	2695	Linear feet	
Batteries (rechargeable)	200	each	
Oil	750	gallons	
Plastic	9.00	Tons	
	3834.02		

CANTERBURY BUILDING NEEDS COMMITTEE

REPORT TO THE SELECTMEN, 2004

The Canterbury Building Needs Committee has been meeting almost weekly since the March 2003 Town Meeting authorizing the building of a new municipal complex and library. Discussions and planning has been ongoing with the architects, project coordinator and various town committees and department heads. Among the accomplishments have been the following:

The Robinson land on Baptist Road has been surveyed, subdivided, title searched and purchased.

Site engineering has been done; site drawings completed and submitted to appropriate state agencies and necessary approvals and permits obtained.

Building plans have progressed from the original conceptual drawings to completed drawings and plans. These have been done with the involvement of Fire, Police and Highway departments and the Historical District Commission and the Library Committee.

The Baptist Road site has had the driveway installed and site prepared for the pouring of concrete.

Actual start of construction is anticipated between mid March and the first of April. Project completion is expected by the end of this year. The committee has been very conscious of budget limitations and continues to strive for the most functional and attractive buildings in keeping with Canterbury's rural character, while keeping in line with projections.

The CBNC is very appreciative of the support and cooperation it has received from the citizens of Canterbury, and looks forward to the actual building phase with enthusiasm.

ANNUAL REPORT OF THE TOWN OF CANTERBURY

The Concord Regional Visiting Nurse Association (CRVNA) continues to offer comprehensive health services to the residents of Canterbury. The following is a description of services:

Home Care Services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes.

Hospice Services provide professional and para-professional services to the terminally ill patient. The goal is to enhance the quality of the patient's life by helping them remain at home in comfort and dignity.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home or clinic visit.

Anyone in Canterbury may request service: patient, doctor, health facility, pastor, friend or neighbor. A nurse will coordinate a plan of care with the patient's physician to meet their specific needs. If the patient does not have a physician the nurse will assist in identifying one and schedule a visit. The agency has developed a program with the NH-Dartmouth Family Practice Residency Program to coordinate a house call visit by a resident to the home.

A call to Concord Regional Visiting Nurse Association is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30 am to 5:00 pm. A nurse is on call 24 hours a day at 1-800-924-8620.

Total visits made during October 1, 2002 through September 30, 2003:

	<u># of Clients</u>	<u>Visits</u>

HISTORY OF THE CANTERBURY TOWN HALL (MEETING HOUSE)

The following sketch of this historic building is from the pen of Miss Mary E. Clough, being an able address delivered by her at the dedication of the present town hall, in 1884:

“Assembled as we are to-night for the first time in our new and commodious hall, it seems fitting to say our good-bye and pay respect to the old. Our present building is to all appearance a new one, and yet we need look back only a few months to be reminded that it has a history. Five hundred dollars were appropriated for the present repairs; we will learn ..what its previous costs have been. No building in town ..has known such vicissitudes, none has served such various uses. The younger portion of this audience may not know that it was originally a church, and that the same frame has withstood the wind and weather for nearly one hundred and thirty years. Still its timbers are sound and strong.

..:As early as 1743 we find that an appropriation was made for the building of a fort and meeting-house in Canterbury, but no further action had been taken until 1750. At a meeting of the proprietors of the town.it was agreed that a vote passed September 21, 1743, about building a meetinghouse for the public worship of God in Canterbury... be confirmed and the dimensions fixed. ‘Voted that said meeting house to be raised, the outside finished, the windows made and glazed and a lower floor laid at or before the last day of September, in the year 1751. The house shall be forty-five feet in length by thirty-five in breadth.’

..:The work seemed to go on slowly. This is not surprising when we consider the difficulty of the undertaking. There was land to till to furnish subsistence, houses to be built to shelter themselves and their families, hostile Indians to watch and to fight, the timbers and boards to hew and finish without the aid of modern tools and machinery. ...

“An ingenious plan was resorted to for the inside finishing. The pew-ground...of which there were eighteen lots, was sold at public vendue. Each purchaser, must, within two years, build his pew in a handsome and workman-like manner; failing to do this he forfeited his pew-ground...

“The house was ready for occupancy in the autumn of 1756.the committee to receive the meeting-house, having first viewed and found it finished according to the vote of the proprietors..The house as thus finished seems to have served the dual purpose of church and town-house, without change, up to the year 1785, at which time the matter of repairing or building new was brought up.

..:The second and third articles in the town-meeting warrant of February 1, 1785 are to see if the inhabitants will take any measure for repairing the meeting-house, ..and if not, see if they will take it down and build a new one. At the meeting

called by this warrant it was voted to raise money for repairing; also to move it across the road .Also voted 'to shingle and clapboard the fire-side of the meeting-house, and clapboard the west end and repair the east end and lay the gallery floor and put rails on the breast of the galleries and put pillars under the gallery girths.'

"The work does not appear to have been effected at this time, for again on February 26th, 1789, a special town-meeting was called for the same purpose. At said meeting it was voted 'that this meeting-house be removed to the north side of the road, .. At an adjourned meeting it was voted that Benjamin Blanchard should clapboard and shingle the fireside of the meeting-house for thirty-four dollars' worth of neat stock, and at the same time a committee was appointed 'to see that this meeting-house, on the outside, be done workman-like.'

"In June of the same year money that came from the sale of the pew-ground.was voted for the making of two porches, one at each end. Again, the 22nd day of the same month, eighteen pounds was voted for repairs. This seems to have ended the struggle, and the old house was not disturbed again by the sound of axe and hammer for over thirty years. ..To it devout worshipers made their weekly pilgrimages, and in it the stormy town meetings were annually held. ...

"There came a time, about the year 1823, when the building was thought to be a place unfit for a place of religious worship.The frame has settled so much that on one side an open space of six inches was left between the roof and walls, where the winter winds and storms could sweep in at will; ..there was no way of warming the building; the windows were old and loose, and many cracks and seams in the sides and about the doors admitted more fresh air than was necessary...

"In the year 1823 the voters of the town were called upon to decide whether it should again be fitted up for a meeting-house and town-house, or whether a modern church should be built. .This much was speedily settled. — that it was not expedient to repair the old meetinghouse for a place of religious worship, and it was decided to build a new. But what to do with this building in order to fit it out for town purposes called out project after project, and special meeting upon special meeting. The more conservative ones said , spare it; the radicals, tear it down. The matter was pending for several years before anything was accomplished. At the March meeting of 1825.an article in the warrant proposed 'to see if the town will vote to build a town-house..'.The same year it was voted that 'the town-house be located within thirty rods of the old meeting-house, [and] that the old meeting house be cut down to one story, moved and finished for a town-house..'.And so it would seem that the matter was pretty nearly adjusted. But not so; a petition of thirty ... voters called for a special meting the 18th of the following April to reconsider the vote of March 25th, also to see if the town will vote to locate a new town-house on the hill west of John Sutton's; to see if they will sell the old west meeting-house (this building).;to see how much money the town will vote. ..Another article in the warrant calls for a house in the easterly part of the town, — this to serve as church and town house. And so the war of words went on. ..When the voters disagree, the majority usually decides. But not so, said these men. At the meeting of April 18th it

was voted that 'the town clerk go to the selectmen of Warner, requesting them to come to this town as a committee to locate the town-house, and their decision shall be final.' We do not learn that the town clerk ever attended to this duty or that the Warner men ever came. ...

"The varied history of our old building for the last sixty years, save that relating to town-meetings, no scribe has written, though much of it is fresh in the memories of older inhabitants. It was often used as a church, for its creed embraced all faiths. When the new church was closed against preachers of other denominations other than its own..the town house swung wide its doors to welcome them. ..It drew many hearers from the new church and often the larger congregation assembled there.

"While the present school-house was in course of building, it accommodated our school.

"To teacher or preacher, to school or to meeting, has our venerable building never been known to shut its door. It has been sort of an omnivorous creature, taking in whatever could or could not find a place elsewhere.

"But the annual town-fair was, for the first four or five years, a real gala-day for the old house. Here were displayed the best products of farm and garden, of dairy and kitchen...

"History repeats itself .;.so in our town-house story, there came another year, 1833, when some thought that the house needed repairing again, and the following year began a war, which, in the to-be-written history of Canterbury, may be known as the third town-house war. The active brains of active men set to work devising the best plan for getting a substantial house. These timbers were examined and found firm and sound, — good for another half century — so, as twice before, the old frame was spared. Now for the repairs. One party would have the outside made rain-proof and the inside remain intact; a second thought it better to renew both outside and inside, letting the building stand on the same foundation; some would raise it a few feet, others would move it forward .;.the party that prevailed ..would raise it enough to admit of horse-sheds underneath, and put the whole building in good condition.

"The work is done, and all now seem inclined to adopt the spirit of the proverb, "All's well that ends well,' and so amiable and sensible a way have our people of submitting to the inevitable that the current of good-will now seems to flow on as smoothly as if nothing had ever disturbed its course. ..We are glad that we can look out to night upon familiar faces, to assure ourselves that we are still residents of our good old town. The hewn oaken braces remain, suggesting strength and at the same time serving as a bond to connect the past with the present...

*Copies of the complete and unabridged dedication speech are available from Kent Ruesswick, Old Tilton Road.

Births Registered in the Town of Canterbury, NH
for the year ending December 31, 2003

Date of Birth	Child's Name	Birth Place	Father's Name	Mother's Name
02/12/03	Patia Ellen Fox	Concord, NH	Matthew Fox	Sarah Fox
02/18/03	Reagan Catherine Beaugard	Concord, NH	Daniel Beaugard	Suzann Beaugard

2nd Annual "Formal" Dance at Da Dump

The 2nd Annual "Formal" Dance at Da Dump was held at the Transfer Station on September 27, 2003. The Barn Cats -- Tim Gurshin, Dick Ray, and John Jordan -- played in the Swap Shop and attendance was more than double the previous year. The dance had three sponsors, Acorn Creative Group, RBC Mortgage, and Sanborn, Head & Associates and a citation was presented to Melanie Stephens for her work with the Transfer Station. Pictured are the King and Queen of 2003, Patti Capone and Norman Bowles, with the King and Queen of 2004, Andy Julian and Donna Peck. The weather was mild, the music was great and a fun time was had by all.
