

CANTERBURY COMMUNITY POWER COMMITTEE

May 8, 2024

Canterbury Municipal Complex

Agenda

- 7:00 Introduction, consideration of February 28 and April 17 Minutes
- 7:10 Kal McKay, Town Administrative Assistant, on Right-to-Know law requirements
- 7:25 Developments since 4/17
- CPCNH Annual Meeting on 4/25
 - Hiring of CPCNH Director of Projects and Programs Mark Bolinger
 - Status of HB 1600 (allows CPA's to develop renewable generating facilities to 5 MW)
 - Update on Net Metering issue at NHPUC (DE 22-060)
- 7:30 Continuing Discussion of Next Phase of CCPC's Mission
- Matching Phase 2 mission (projects) realistically with resources
 - Several potential dates from Mark Bolinger for meeting in late May-early June
 - At least three potential project alternatives:
 - a) A Town-owned renewable energy/battery storage project: potential sites in Canterbury, access to development expertise through CPCNH, and funding sources. Subcommittee?
 - b) A multi-town renewable energy: potential sites in several Merrimack County CPCNH Member towns, access to development expertise through CPCNH, ownership vs PPA models
 - c) Assisting Select Board re a Canterbury cell tower. Subcommittee?
- 8:00 Communications Outreach—using the Town email and Newsletter, our web page on the Town website, and our CPCNH web page
- 8:10 New Business? Adjournment. Next meeting June 12.
