

## REQUESTED EDITS TO MAY 14 PLANNING BOARD DRAFT MINUTES:

I would like to request a small change on line 140. The state-wide median value of houses is now closer to \$515,000. (not Canterbury). Mike Tardiff and I were talking about it before the meeting and he gave me the new higher number.

Thank you.

John

Me: take Beth Blair off the Meeting House section as she now confirmed she did not make that.
